50 CENTS PER MONTH

THE ARSENAL AT JUAREZ SEIZED

Black-Haired Amazon Valiantly Leads the Successful Attack

MOVE MOST DARING IN CITY'S WHOLE HISTORY

Leaders, Wives of Rebel Colonels Left Behind by Orozco

JUAREZ, Mex., Aug. 19.—Riding through the streets of Juarez yesterday a black-eyed, black-haired Mexican amazon, mounted on a snow white horse and enforcing her orders with a three-foot machete swung carelessly in her right hand, captured the police force, took their horses and ruled the town for more than two hours.

The woman is supposed to be the bride of Colonel Lazaro Alanis, commander of the division of Pascual Orozco's rebel army located at Las Palomas, but after her raid on Juarez she rode straight west into the desert before anyone had time to ask her identity.

Shortly after noon she arrived here, followed by ten ragged rebel infantrymen. The woman was armed with two revolvers, a carbine strapped to the back of her saddle and the ever visible machete. She wore a man's suit of khaki, a broad brimmed hat and rode astride.

Her men covered the twelve government policemen with their rifles. "Give us your horses and your arms," said the amazon.

She got them, locked the chief of police and his men in the jail, mounted her own men on the captured horses and started to fill their saddle bags with provisions from the stores. This done she proceeded to the office of a wealthy banker. Her horse slipped from the saddle, hung the machete to the saddle horn, loosened a revolver on each hip and leaving her followers in the street, went inside. In a few minutes she returned, nodding and smiling to her men. Then she flung herself into the saddle and with a shout the little band clattered out of town.

It is reported that the young woman secured a large sum of money from the banker as an enforced contribution to the rebel cause.

Dr. J. Herndon Garnett spent Sunday in Whittier where he occupied the pulpit of the First Baptist church, the pastor being away on a vacation.

ASYLUM FOODS ABOVE AVERAGE

Statement Denying "Call's" Charges Issued by State Officials

SACRAMENTO, Aug. 19.—Following a conference between the governor, General Superintendent Hatch of the state insane asylums, the managers of the various asylums and members of the state board of control, a statement was issued today denying as baseless the charges in the San Francisco Call, that patients are being starved. The statement attacks the attitude of the Call, declaring conditions satisfactory. The statement says:

"The charges of under-feeding and starving are made solely to gratify the paper's malice and spleen. There has never been, and there is not now, any foundation for the charges. The quantity and quality of food at the asylums is fixed by the general superintendent, Dr. Hatch, according to federal government tables of the nutritive value of foods. The standard nutritive value of foods at our asylums is higher than it is in New York hospitals, and is better now than ever before."

TERRIBLE CRIME OF AN ENGLISH OFFICER

EASTBOURNE, England, Aug. 19.—Five bodies have been recovered from the ruins of the house set afire by Captain Hicks Murray, of the Gordon Highlanders, after shooting and killing his two children and wounding his wife. The dwelling was occupied by Richard Mackie, an American, with his wife and children. It is unknown whether they perished or not. Murray left a letter saying he was ruined, and intended to kill all who were dependent upon him.

Streets Strewn With Thousands Unburied Dead

WASHINGTON, Aug. 19.—Managua dispatches say that a thousand dead are lying unburied in the streets of that city. The dispatches are signed by American Minister Wietzel. The city is threatened by pestilence. The rebel strength is increasing. It is impossible to estimate the number of fatalities of the three days' battle, which is said to have been the bloodiest in the annals of Central American uprisings.

Bulletins of News

Hot from the wire up to 3:30 p. m.

THE WEATHER

Fair tonight and Tuesday, except cloudy along the coast. Light west winds.

State Convention of Ancient Hibernians. LOS ANGELES, Aug. 19.—The fourth annual convention of the Ancient Order of Hibernians was opened today by President M. J. McGarry. A thousand delegates visited the beaches this afternoon, and will be guests of the woman's auxiliary at a ball tonight.

Premature Blast Deals Death and Devastation. COTTAGE GROVE, Ore., Aug. 19.—Daniel Boyle, a railroad employee, was killed and several narrowly escaped death in a premature blast at the city rock quarry today.

Nineteen-Year-Old Boy on Trial for Murder. SAN FRANCISCO, Aug. 19.—The jury being completed this morning, the trial of Charles Bonner, aged nineteen, charged with the murder of Bernice Godard, aged sixteen, has begun before Judge Dunne.

Seeks to Secure a Dismissal for Darrow. LOS ANGELES, Aug. 19.—Before Judge Hutton this afternoon Earl Rogers moved for the dismissal of the remaining indictment against Clarence Darrow, the grounds that the case has not been set for trial within the legal sixty-day limit. Hutton fixed tomorrow afternoon to hear arguments.

SAN DIEGO MAKING WAR ON THE QUACKS. SAN DIEGO, Aug. 19.—Four more arrests were made Sunday in the determined crusade inaugurated by the District Attorney's office to drive from the city or punish a numerous class of quack practitioners, who, under various titles, prey upon the credulity of the afflicted. All were charged with practicing medicine without a license and will be given a chance to prove the efficacy of their systems of treatment.

Dr. H. Van Riper, one of the four taken into custody, claims not only to be a spiritualist, but a graduate of the American College of Mechanotherapy and his card bears the inscription, "Ladies a Specialty."

"If you call the laying-on of hands medicine then I'm guilty," he said when arraigned before Justice Solon Bryan. But he pleaded not guilty and furnished \$100 bail.

The other three under arrest are C. H. Winbiger, electric healer, 1723 F street; N. B. Smith, hypnotic masseur, 615 American National Bank Building, and Charles F. Britton, manufacturer of an ointment at 1138 F street. All pleaded not guilty and gave bail, as did also Hilda Lamphar, herb doctor, who was arrested yesterday.

Dr. M. E. W. Barnes has removed his office to 114½ East Fourth street in the Geo. A. Edgar building. Phone Main 1143. T. 661.

Taft Appoints Big Corporation Lawyer to Succeed Hanford

WASHINGTON, Aug. 19.—Clinton Howard of Bellingham, Wash., has been appointed federal judge for the Western District of Washington, to succeed Cornelius Hanford, who resigned while the House judiciary committee was investigating charges against him.

Who Howard Is. SEATTLE, Aug. 19.—Clinton Howard, appointed by President Taft to succeed former Federal Judge Hanford, is the leading corporation lawyer of Bellingham. He is counsel for the Great Northern Railway and large traction interests, and for the Bellingham Bay Company and other corporations. Howard is ex-president of the state bar association.

William J. Biggar, Progressive candidate for congress in the Bellingham district, wired Senator Poindexter that the appointment is an "outrageous insult" to the people and should not be tolerated.

PENROSE WOULD INVOLVE T. R. IN GRAFT

Says Standard Oil Money Went Into Campaign Fund

ROOSEVELT SAYS HE'S READY FOR THE ATTACK

Will Wait For the Matter to Come Up in the Senate

ATLANTIC CITY, N. J., Aug. 19.—Most of the \$25,000 which he received by check from John D. Archbold, vice president of the Standard Oil Company, during the presidential campaign of 1904, was used to help carry New York state for Theodore Roosevelt, declares Senator Boies Penrose of Pennsylvania.

Senator Penrose held a long conference here yesterday with national and state leaders as to how best to meet the attack, and at its conclusion issued the following statement:

"If I am to be called to the bar of the Senate to answer the accusation against me would it be right for me to expose my defense before I am charged with the act which is hinted at? I am ready to answer at any time the accusation and I defy anyone to say that I ever used corporation money for any purpose."

"I will say, however, that from what I recall of the incident, most of this money went to the treasurer of the campaign committee, and that the greater portion of it was used in carrying New York state for Roosevelt in the Presidential campaign in 1904."

Go to It! Says T. R. OYSTER BAY, Aug. 19.—The report from Washington that Senator Penrose had in course of preparation a reply to the accusations of the Pennsylvania Progressives on the score of his having received funds from John D. Archbold of the Standard Oil Company, in which he would involve Colonel Roosevelt, left the colonel undismayed. He said that it would be time for him to speak when Senator Penrose had made his charges.

A REVOLUTION IS IMPENDING

SHANGHAI, Aug. 19.—Apparently authentic reports say that Sun Yat Sen is organizing a revolutionary band. Rumors say three hundred thousand men have been recruited. Other rumors are of plots to assassinate Sun. Anti-foreign sentiment is reviving.

SAYS MADERO TRYING TO SHIFT THE BLAME. WASHINGTON, Aug. 19.—Replying to Madero's recent statement, that his encouragement of rebel activity is responsible for the continuation of the Mexican rebellion, Senator Fall of New Mexico today entered a sweeping denial in the Senate. He declared that Madero is unable to cope with the situation and is endeavoring to shift the blame.

Santa Ana Painless Dentists, 102½ East Fourth St. Main 253.

CLIMAX OF THE BATTLE

COYOTE, Cal., Aug. 19.—The Blue army, under Colonel Gardner, is engaged here after a forced march from San Jose. Defense lines are already posted, in preparation for the expected battle tonight. Colonel Bowen, with a detachment of Blues, is in full retreat before the invading Reds. He is expected to join Gardner here.

GUARDSMEN WOUNDED, AND IT'S REAL THING. MORGAN HILL, Aug. 19.—Cart-ridges accidentally thrown into a camp fire caused painful wounds to three guardsmen engaged in the mimic warfare. Corporal Harry Curry was shot in the leg and in the arm. Private John Groshouse was shot in the ear and arm. Private Harry Bailey received injury to his right leg. The latter was taken to the Presidio Hospital at Monterey.

GILROY, Cal., Aug. 19.—With the invading Reds here, and the defending Blues at Morgan Hill, the contending armies in the mimic warfare are but thirty miles apart today. The Blues are steadily retreating. It is expected the deciding battle will be fought tonight or tomorrow in Coyote Canyon.

TWENTY-ONE NEW CASES OF INFANTILE PARALYSIS REPORTED. LOS ANGELES, Aug. 19.—Health officials report twenty-one new cases of infantile paralysis for the past week, and one death, yesterday. Seventy-five cases are under quarantine. To date two hundred and twenty-eight cases and forty-four deaths have been reported.

DARROW DENIES RUMORS CONCERNING MOVEMENTS. LOS ANGELES, Aug. 19.—Clarence S. Darrow today denied reports to the effect that he will remove to San Jose and affiliate with a law firm there. He also denied the report that he had a summer home at Los Gatos. He said he would not make any future plans until he learns what will be the district attorney's disposition of the Bain charge, still pending here.

CLOUDBURST AND STORM RESULT FATALLY

Seven Bridges Destroyed and Miles of Railway Track Ruined in Michigan

ANOTHER BIG STORM SWEEPS INDIANA

Five Persons Stunned; Rainfall Reaches Total of 14 Inches in Seven Hours

NILES, Mich., Aug. 19.—A phenomenally heavy cloudburst, confined in its devastating effects to an area within a radius of three miles of this city, today caused the death of two persons, injuries to many others, washed out seven railway bridges, destroyed miles of railroad tracks, stopped street car traffic in Niles and other towns, held up all trains of the Big Four and the Michigan Central and did damage amounting to hundreds of thousands of dollars.

Between 7 o'clock yesterday morning and 2 o'clock this afternoon fourteen inches of rain fell in Niles and the neighborhood.

Otto Seaver, 34 years old, and a man named Billwock, 70 years old, both farmers near Niles, were killed by lightning. They were putting up a house on the outskirts of the town and took refuge within it, when a bolt of lightning struck the building.

Charles W. Hushower, a railroad official from South Bend, was driving near here in an automobile with three linemen, when the entire party was struck by lightning. All were severely injured and rendered unconscious.

Abraham Harrod of Niles was also struck by lightning and rendered unconscious while he was driving his machine on the highway on the road to South Bend.

ANOTHER FIERCE STORM IN INDIANA WORKS HAVOC. SOUTH BEND, Ind., Aug. 19.—The worst electrical storm and cloudburst in years broke over Northern Indiana and Southern Michigan Saturday night and Sunday, causing heavy damage to power plants and electric railways. Trolley service between South Bend and St. Joseph is entirely suspended because of washouts which cannot be repaired within a week.

The St. Joseph river is badly swollen, having gone out of its banks from Mishawaka to Lake Michigan, a rise of three and one-half feet having been recorded during the last twelve hours. Leeper and Howard parks in South Bend are partially under water. During the day street car service in South Bend has been practically at a standstill because of the damaged power houses. It is reported that the dams at Niles and Buchanan, Mich., are in danger of being carried away.

THE DECIDING BATTLE NOW SEEMS IMPENDING. COYOTE, Cal., Aug. 19.—The Blue army, under Colonel Gardner, is engaged here after a forced march from San Jose. Defense lines are already posted, in preparation for the expected battle tonight. Colonel Bowen, with a detachment of Blues, is in full retreat before the invading Reds. He is expected to join Gardner here.

He is expected to join Gardner here.

BAD CHECKS, TO WHICH GIRL FORGES FATHER'S NAME GETS PAIR JAILED

A man and woman giving their names as Frank Smith and Grace Smith, claiming first to be brother and sister and afterwards husband and wife, were arrested here last night on a charge of passing a worthless check. The check that brought arrest was a \$20 check accepted by J. T. Wilson of the cigar store at the corner of Fourth and Main streets. It was for \$20, drawn on the Farmers & Merchants' National Bank, made out to Grace Smith and had the name of T. M. Gillmore of West Seventeenth street forged to it. Other bad checks were passed by the couple here. One for \$25 was accepted by C. D. McAllister of the Rutgers lodging house.

The couple have been together here for several days. The name forged to the checks is that of the girl's father. Desperate after her arrest, the girl last night tried to make her father state that he had signed the checks. The father refused to make the statement, and the man and woman were locked up in the county jail by Constable Jackson and City Marshal Jer-nigan, who arrested them.

The couple came here last Tuesday. They stated that they were "show people," and were engaged at times in vaudeville work. Smith said he was an expert roller skate man. They went by the name of Ford, which they said was their stage name. Saturday night Smith tried at several places to pass a check. The officers are satisfied that the one accepted by McAllister are not the only ones that the pair got rid of.

Last night about 8 o'clock the man and woman went to Wilson's cigar stand. The woman did most of the talking. She said that she was very anxious to get to San Diego in order to see her 20-month-old baby. Wilson said he would accept the check, which the woman endorsed by writing her name, Grace Smith. As Wilson was turning over to her \$20 in gold, Brownridge, a teller of the Farmers & Merchants' National Bank, on which the check was drawn, stepped up to the stand. After the couple left, Wilson showed the check to Brownridge, and asked if it was good. Brownridge replied that he did not think T. M. Gillmore had an account at the bank. This matter was immediately looked up, and it was made certain that Gillmore had no account there.

City Marshal Jer-nigan and Constable Jackson were informed, and they immediately got busy. A few minutes later they located the man and woman at the Bell Theater, where they had been seated. The two were called behind the scenes, and were placed under arrest. As they were being taken from the rear part of the building and along the alley, Smith managed to throw away a book of blank checks of the Farmers & Merchants' National Bank. This book was later picked up by Constable Jackson.

The woman, aged about 20, fairly good looking, and the man, aged 19, were inclined to be "sassy." At first the woman declared the checks were good, that they had been given her by a rancher for whom she had been working. Determined to investigate that matter thoroughly, the officers took her to the house of the rancher indicated. The rancher proved to be T. M. Gillmore, who after ward told the officers that he was the young woman's father.

The girl demanded of the rancher, who lives on English street near Seventeenth, that he tell the officers that he had signed the check. The rancher hesitated. Constable Jackson demanded a reply, and finally the man answered that he had not signed the check.

After that the woman admitted that she had written the check. From the time on her attitude seemed to be to shield Smith. She declared that Smith did not know that the checks were not good. Smith admitted that on Saturday he tried to cash a check. When asked what had become of it he said that he had torn it up.

"We stage folk don't bother long with checks we can't cash," said he. "We don't care for money. All we want is enough to get along with. If I can't cash a check, I tear it up."

In the possession of the pair \$50 was found. This afternoon the officers found that two other bad checks had been floated by the couple. At Reinhaus Bros. the woman bought about \$12 worth of goods and gave a \$20 check, receiving \$3 in change. The Iowa Stables accepted a \$10 check, which, like the others, had the name of the girl forged to it.

In the endorsements the officers have noticed a peculiarity in that the girl has signed Grace Smith in nearly every instance, though the checks are made out plainly to Grace Smith. The officers stated this afternoon that the man has been using the name Lloyd Smith instead of Frank Smith.

DO NOT LIKE LAW PASSED IN HURRY. LONG BEACH, Aug. 19.—The Council will be asked tonight to repeal the emergency health ordinance passed a week ago.

Deliberation over the ordinance and its effect has led to a revulsion of feeling and the evident loss to business interests has been severely felt. The feeling is strong that Long Beach acted too hastily. Had there been any cases of infantile paralysis in the city the law would be justified, but there are none, have been none and the general opinion now is that if it was intended to guard against the disease the law should have been one of quarantine against cities where the disease has a foothold. The Council's theory that the ordinance would reassure visitors, had the opposite effect. It convinced them there was deceit being practiced and that the evil existed. Therefore, there was a hasty packing of belongings and a hieira from the city. In many cases the visitors have gone home, where the disease does exist.

LONDON, Aug. 19.—It is announced that Sir Thomas Lipton is coming to America in September to arrange for another attempt to lift the American cup.

Lipton refused to comment on the announcement.

SEATTLE, Aug. 19.—Clinton Howard, appointed by President Taft to succeed former Federal Judge Hanford, is the leading corporation lawyer of Bellingham. He is counsel for the Great Northern Railway and large traction interests, and for the Bellingham Bay Company and other corporations. Howard is ex-president of the state bar association.

PRESIDENT IS PERPLEXED SORELY

Canal Bill Lands Him Upon Horns of Serious Dilemma

SUNDAY SESSION OF CABINET CONSIDERS

President Would Veto Bill If He Could Without Reversing Himself

WASHINGTON, Aug. 19.—At the risk of impaired digestions two important bills, which will shortly reach the President's desk for signatures or veto, were discussed at the White House yesterday at an informal cabinet meeting and luncheon. They were the Panama Canal bill, which the President would like to veto, and the legislative, executive and judicial appropriation bill, which he has already vetoed once. It is probable he will again veto this bill.

No conclusion was reached with reference to the canal bill because of the wide variance there would be in a veto from the previously expressed views of the President and the emphatic expressions through the votes of both Republican and Democratic members of Congress.

Sudden "Reversal of Form." The President has recently taken the ground that there is danger of international complications in the provision of the bill granting free passage to American ships in the coastwise trade. This is in direct contradiction to his former position expressed in messages to Congress, and is also in opposition to the sentiment that prevailed in England before the Canadian-American railroad and steamship lobby reached across the Atlantic and secured a protesting British foreign office.

BECKER CASE IS NOW COMPLETE. NEW YORK, Aug. 19.—Thousands crowded the station today, when the officers of District Attorney Whitman's office arrived from Hot Springs with Sam Schepps, who is wanted in connection with the murder of Herman Rosenthal. A score of police were at the station and demanded that Schepps be turned over to them. Whitman's men declined, and forced their way through the crowd with their prisoner.

Police Lieutenant Charles Becker remains defiant in the Tombs. District Attorney Whitman today is considering Becker's demand for the evidence against him already presented to the grand jury. Whitman declares that he is now able to prove that Schepps passed the money to Rosenthal's murderers. He claims that Schepps' arrival removes the only barrier to proceeding with Becker's trial.

STOCKTON EXPECTS 60,000 VISITORS. STOCKTON, Aug. 19.—Plans for a concert by one of the largest bands of musicians ever assembled in the West are being made by the workers who have charge of the music features of the celebration of California's sixty-second birthday to be held in Stockton September 7th, 8th and 9th, under the auspices of the Grand Parlor of the Native Sons and Daughters of the Golden West.

Over 400 of the best musicians in California will be massed in one band under one leader and render patriotic and patriotic airs on Hunter street square on the afternoon of Sunday, September 8. It is confidently expected that this will excel any musical feature of its kind ever attempted on the Pacific Coast.

Stockton expects to entertain 60,000 visitors during the three days of the Admission Day celebration. The parade on the morning of September 9 will be four miles long. Thousands of Native Sons and Daughters with their brass bands, drum corps and historical floats reflecting the patriotism and state pride typical of these two orders, will march in review. Over twenty brass bands from various parts of the state will appear in the procession.

SANTA FE TRAIN IN DITCH; MANY HURT. Seven Cars Jump Track When Broken Bolt is Struck on Kansas Line

OSAGE CITY, Kas., Aug. 19.—Train No. 10 on the Atchison, Topeka & Santa Fe Railroad was derailed here yesterday afternoon, seven cars leav- ing the track. Two passengers were seriously injured and a number of others were cut and bruised. Joseph H. Smith of Boston, a member of a musical comedy company, was injured in the side and is reported in a serious condition. Mrs. A. Mitchell of Shadick, Okla., had a foot severely wrenched.

The private car of S. P. Strohm of Chicago, general superintendent of transportation, which was attached to the train, was transformed into a hospital for the injured.

A broken bolt on a switch flange is said to have been responsible for the wreck.

LIPTON COMING AGAIN AFTER AMERICAN CUP. LONDON, Aug. 19.—It is announced that Sir Thomas Lipton is coming to America in September to arrange for another attempt to lift the American cup.

Lipton refused to comment on the announcement.

SUGAR BEETS AT ELSINORE

Crop to be Raised For the
Anaheim Factory—Pasture
to be Field

Riverside Enterprise: Sugar beets will solve the problem of diversified farming near Elsinore, according to reports brought in from that country and Temecula. Several hundreds of acres are to be planted to that crop, and the ranchers there owning thousands of acres are to divide up their holdings and settle the country with hundreds of farmers. Small fields there have made enormous yields, and it has been figured that the net returns will average \$50 an acre. Abundant water is found under the land, and the factories in established districts are bidding for the crops.

E. E. Barnett, who owns 1000 acres of level valley land along the Santa Fe railway, about two miles north of Temecula, is one of the stockmen who is going to plant beets, according to Deputy Sheriff D. G. Clayton, who spent a couple of days there, returning here yesterday. Barnett has made money in the stock business, and has given ranches to each of his children, but he remarked yesterday that \$50 an acre which he could get for his beets meant the end of the cattle business for him. He and F. H. Hall, with two other men, have gone in together on a proposition to supply an Anaheim factory on a contract. The Fullerton cut-off of the Santa Fe makes it easy for the valley product to reach a market until factories are established on the ground.

Another promising feature in the neighborhood is indicated by the new well sunk by these men. At a depth of 540 feet water was struck that flows 18 inches over the top of the 12-inch casing. The casing has not been perforated. When, in a few days perforating machines will be sent down, a much stronger flow is expected, ample for all the ranches in the neighborhood. The water is to be handled with an air compressor, which will do away with the usual pumping operations.

SUGAR BEETS TESTING WELL

Anaheim Plant is Employing
200 Men—Both Sections
Giving Satisfaction

FULLERTON, Aug. 19.—The Anaheim sugar factory got under way last week and is now operating with a force of about 200 men. Beets so far handled have tested well, and it is the belief that the season will show a high average of sugar content for the crop. In the fields there is much activity throughout the beet-growing territory. Both the old and new sections of the sugar factory are giving good satisfaction.

Alvin Ford and Miss Lillie Esmay, daughter of George Esmay, cashier of the Santa Fe station here, were united in marriage at the Baptist church yesterday in the presence of many friends, Rev. Mr. Whiteside officiating.

HARVESTING BEETS NEAR OCEANSIDE

Oceanside Blade: The long expected first load of sugar beets from the local fields passed down Second street Monday afternoon on the way to the dumping platform in the railroad yards. The beets were from the fields of J. T. Morrison, secretary of the chamber of commerce, to whose boosting much of the success of the enterprise may be attributed. Mr. Morrison, in order to get the planting started in San Luis Rey, rented 100 acres and put in a crop of beets. His beets were the first ready for hauling and among the best.

Up to Thursday about 150 tons had been hauled from San Luis Rey to the Morrison and H. P. Johnson fields. The beets were loaded into big dump cars holding fifty tons and shipped to the factory of the Southern California Sugar company at Santa Ana. There are over 2000 acres on the Santa Margarita ranch and about 400 in the valley. On the ranch there are two standard dumps and harvesting is well under way. The value of the crop this season is estimated at upwards of \$175,000, the beets bringing about \$7 per ton.

The planting in the San Luis Rey valley on any large scale another season hinges largely on the willingness of the Santa Fe company to extend a spur a couple of miles into the heart of the beet lands of the valley. It is being found that the long haul to the railroad at Oceanside is an expensive process and takes away a large portion of the profit coming to the beet raisers. There are hundreds of acres of suitable land in this locality, in fact it has been demonstrated that enough land could be found to make possible the building of a sugar factory and it would appear that it is now up to the development department of the railroad to get busy in the fostering of another substantial industry by providing facilities for handling the product.

NEW CHANNEL IS PROPOSED

Engineer. May Advise Cut
Through Sandspit at 9th St.
—Interesting Possibility

Newport News: Much interest has been aroused here by the statement credited to one of the government surveyors now working on Newport Bay that the harbor would be made a great deal more practical by abandoning the present entrance to the bay and dredging a new channel between the bay and ocean at Ninth street, between the Pacific Electric tract and East Newport.

It is only a short distance across the sand spit at this point and the expense of dredging a channel would be nominal.

It is claimed that an entrance to the broadest part of the bay would increase the practicability of that body of water as a harbor and that it would be easier to get in and out with ships.

Port Orange, the terminus of the shoestring strip proposed to be annexed by the city of Santa Ana, lies directly across the bay from Ninth street and would be benefited immensely by the change of the channel.

In all probability if a new entrance to the bay were made the channel at Corona Del Mar would fill up and the action of the swiftly rushing tides would scour out a big area of the bay to a greater depth.

The proposed changing of the channel would be unique from an engineering standpoint, and the report of Chief Engineer Hughes, in charge of the work of surveying the bay, is awaited with a great deal of interest.

Get His Money
Jerry Marlanovich had a lady for a customer of his fish market Thursday so honest that he considers the world should know about her. The lady bought a quarter's worth of smelt from Jerry and tendered him a five dollar gold piece. Jerry gave her the fish and \$4.75 in change, but she forgot to give him the five dollars. The fisherman discovered his loss shortly after the lady left, but as he did not know her, he thought he would never see her again. But Thursday morning she showed up and gave Jerry the five dollar gold piece, which so delighted the honest Slavonian that he is thinking of having the coin framed.

Edward Mitchell and F. M. Baer were arrested Sunday by Marshal Porter for violating the automobile law. Baer ran his machine down the walk on the ocean front to the Miller apartment house and Mitchell allowed his machine to stand squarely across the walk on Fifteenth street. The case was taken up by the Automobile Club of Los Angeles, and the men will appear for trial next Monday morning.

Bill Souder was badly stung by a stingaree in the bay near the Collins wharf Thursday evening while seining for mullet.

FEDERATION OF STATE SOCIETIES TO CELEBRATE

Perhaps no other one organization shows more completely how different is Southern California from other sections than the Federation of State Societies. There are here in this Southland seventy of these societies and in order to do the most good for their adopted state they have banded together to help one another.

This federation holds each year a great reunion picnic in which all states are represented. The most appropriate date for this will at once be seen as the day when California was admitted to the Union. So on the 9th of September representatives of all the states and the societies gather in Sycamore Grove to celebrate the natal day of the adopted home. The reunion is scheduled for all day with a picnic dinner at noon. There will be state headquarters laid out as on the map of the United States and each one may meet and greet the old home folks at headquarters and through there may be many thousands presented. One may find his friends in this way.

There will be a program in the afternoon, but the main thing after all will be the opportunity to meet and to greet the old friends. There will be thousands of visitors here for the Grand Encampment and they will be heartily welcomed to the picnic. All who can should attend so as to meet these visitors, because most of them will be new to the state. One of the features this year will be the singing of state songs. The different states will be asked to arrange for these in connection with the program. In some cases there will probably be a solo or a duet, or perhaps all the people from the state will join in a fine chorus song. Many of the states have a fine song that will be greatly appreciated. The Native Sons and Daughters will be asked to plan for California and the Bear flag ought to be much in evidence beside the Stars and Stripes. Each state headquarters should be decorated in some way typical of the state and banners, flags, pennants and badges will abound. Every one should take a day off and have a jolly time.

TO LAY CORNERSTONE

LONG BEACH, Aug. 19.—The local lodge of Elks will lay the cornerstone of their new home on Cedar avenue, opposite Pacific Park on Tuesday night. A unique feature of the ceremony is that the exercises will occur at 11 o'clock at night. A regular meeting of the lodge will be held at the present rooms, followed by an entertainment and lunch. The officers and members will then march to the site of the new building where the cornerstone will be laid with ritualistic ceremonies. Dr. T. C. Donnell, "father" of the Long Beach Elks, acting as Grand Exalted Ruler. Several high officers of the order and many visiting lodges will be in attendance.

CONTRACTORS BUFFALOED

Two Men Condemned by S. P.
C. A. Are Creating Consider-
able of a Stir at Riverside

Edmondson and McMillan of the protective association, the men condemned by President Zimmer of the California S. P. C. A., are creating more of a stir in Riverside than they did here, as shown by the following: RIVERSIDE, Aug. 17.—City street work and construction of similar character under way by private contractors, is practically at a standstill as the result of the activity of officers of the United States Protective Association, designed for the prevention of cruelty to children and animals.

The arrests and fines of yesterday were followed by the collection of \$25 fines in each instance. This has had the effect of making the owners and drivers of teams very timid about using them for the fear that some slight blemish will mean their arrest and the loss of \$25 in fines.

The work on the Magnolia-avenue fill project, which it is desired be pushed to completion as rapidly as possible, is at a low ebb, for every animal that was questionable has been removed from the work.

Citizens do not hesitate in many instances to declare that the activity of the association's officials looks much like a bit of graft, but District Attorney Evans says they are within the law. The fines go to the organization making the arrest, and not to the county.

COMMITTEE HAS \$6,000 OF \$25,000

Orange News: With a total of a little over \$6000 subscribed, the soliciting committee for the Pacific Electric right of way fund feel that they have an encouraging start on the big task of raising \$25,000, the mark at which they are aiming.

While this \$6000 is but a small part of the sum needed, still, in amassing it, the committee have met the agreement which leads them to believe that success is ahead if the people will realize what a tremendous benefit the coming of the railroad means. Taking up the work where it was ended by the committee of fifty, Messrs. Ehlen, Edwards, Watson and Hallman have gone at their task with determination and have secured responses of an encouraging kind.

A small sized insurrection in the Chapman Avenue Water Company resulted yesterday in the deposing of one of the directors of the recently organized company, for which purpose the entire directorate was recalled and four re-elected.

A called meeting of the stockholders was held, the call stating the purpose to be the removal of the directors and the election of another board. Of the 200 shares of stock in the corporation, 192 shares were present and voted to remove the old directors, who were H. Terry, A. M. Smith, G. G. Richards, W. B. Dennis and G. L. Giles.

The recall having been effected, a new board was unanimously chosen as follows: H. Terry, A. M. Smith, W. B. Dennis, G. G. Richards and H. L. Bascom.

The 200 shares of stock of the company is held by 13 stockholders. In addition to the directors, the following named are stockholders: J. Harnes, Chas. Orchard, R. C. Burkett, W. H. Freeman, J. S. Cordell, F. Schneldt, J. R. Smith and G. L. Niles.

TOTAL ASSESSMENT OF LOS ANGELES

Los Angeles Examiner: Los Angeles County's taxable property totals \$736,110,668. This was shown in the report made yesterday by Assessor Hopkins following the revision of the lists by the Board of Equalization.

The increase in one year, according to the comparative figures, is \$118,927,306, the greatest gain for a twelve-month period in the history of the county. The value of railroad property is placed at \$10,514,886, of which the Southern Pacific has \$6,956,239, the Salt Lake \$1,725,658, the Santa Fe, \$1,661,615, the Pullman Company \$171,978.

The real estate, outside of city and town lots, is valued at \$31,453,505. City and town lots are placed at \$297,340,170. The improvement values outside of the cities and towns are \$10,942,965 and in the cities and towns \$129,335,340.

The personal property valuation is \$66,811,963.

The total number of acres assessed this year is 1,039,868, a large reduction as compared to a year ago because of the subdividing of large tracts and the extension of city limits.

The assessment rates last year were 60 cents for the cities, which was increased to \$1.07 by the Panama Exposition, school road and other taxes. The county rate was \$1.25.

This year's rate will be based upon the report of Auditor Lewis to be made before the third Monday in September.

FLYING MEN FALL

victims to stomach, liver and kidney troubles that like other people, with like results in loss of appetite, backache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that, as T. D. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters," he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. It's folly to suffer when this great remedy will help you from the first dose. Try it. Only 60 cents, at all druggists.

ON LOOKOUT FOR CHINESE

Armed Force is Left on San
Clemente Island—Landings
Are Frequent

AVALON, Aug. 19.—Heavily armed, a landing party of sailors and two customs officers, put ashore by the United States revenue cutter Rush, were last night searching the sea from the rocks of San Clemente Island in an effort to detect the expected landing of a smuggling party bearing opium or Chinese coolies, and to apprehend the smugglers and the contraband.

Market fishermen returning to Avalon from the vicinity of the San Clemente Island late yesterday evening reported having seen the armed sailors and customs officers on the shore, and the arrival here of the Rush appears to add verification to the report that the smugglers were expected to put in at San Clemente last night, inasmuch as the revenue cutter returned to San Clemente this morning, presumably for the purpose of picking up the landing party and its quarry, should success have attended the vigil.

For months past the Rush has been busily engaged in spying out all of the nooks and corners afforded by the rough coastline which might be utilized by a smuggling gang.

According to officials of the customs service, the revenue cutter has been landing parties at different points between the Mexican border, San Diego, Santa Catalina and San Pedro with great frequency during the last few weeks.

It is understood that definite information was received by the officers of the Rush from customs officials on shore that a large party of smugglers, bearing either Chinese coolies from Mexico or transhipped opium, had left a point on the mainland with the intention of "making" a little-frequented anchorage offered by out-jutting rocks on the shore of San Clemente.

The Rush sped north, presumably bound for this port, but stopped at San Clemente long enough to land a formidable, heavily-armed party. She then came here and anchored for the night. Food and extra ammunition, sufficient to sustain its members through the night, was left with the party, which was taken aboard today.

REAPING BENEFIT

From the Experience of Santa
Ana People

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Santa Ana residents on the following subject will interest and benefit many of our readers. Read this statement. No better proof can be had.

F. L. Sexton, 1129 W. Second St., Santa Ana, Cal., says: "On and on I was troubled by a dull pain in the small of my back and I believed that the annoyance was caused by weak kidneys. I saw Doan's Kidney Pills highly recommended and procured a supply at Dean's Drug Store (now Wheeler & Mateer's Drug Store). Relief soon followed their use and as I continued taking them, great benefit was derived. Another member of my family has also found splendid results through the use of Doan's Kidney Pills. They proved as effective in relieving backache in that case as in mine."

For sale by all dealers Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

PLACENTIA HAS HAD MARVELOUS GROWTH

Placentia Courier: With this first number of its second year the Courier looks back over a year of marvelous growth, and looks forward to a year of equally substantial and satisfactory progress toward the future city prophesied by many.

Where a year ago there were only enough frame buildings to indicate that here a town had been planned and might be in the making, today

Two-Story Brick Blocks
rise a number of substantial brick business blocks that would do credit to a city of fifty thousand inhabitants and residences dot the whole town site and new buildings are constantly in course of construction. Only two lots remain unsold of the original townsite and much of the new addition has been sold out. New people are coming in all the time.

Then Six; Now Thirty

A year ago there were but six business houses. Today there are 30 business establishments. The five packing houses were in existence, but

Packing Houses Double Capacity
the two largest have doubled their capacity meanwhile. Then not a single brick building; today four large two-story white-painted brick front structures and one small one-story building. At that time two or three residences, now there are approximately forty of differing degree. In addition there are two hotels, a rooming house and two flats.

Contract Is Let

CORONA, Aug. 19.—The contract has been let for building the City Hall to F. M. Walton and Son of Hollywood. The price is \$22,392.

The building is to be of cream pressed brick following the new plans submitted by Architect Leo Kroonen. The work of tearing down the old city hall building and construction on the new one will be at once begun and the building completed within six months.

AGAIN THAT CHAPMAN PETITION

The Riverside Press published the Register's editorial on "That Chapman Petition" and added this:

"The 'spontaneous demand' for Mr. Chapman's candidacy in this county was worked up by a very thorough and persistent canvass of voters and it took a lot of hard work to make the showing that was made. Moreover it is without question true that a good many of these signatures were secured by representing that Mr. Chapman is a Progressive. It was a little hard to make people believe this in view of the fact that the organized movement in behalf of Chapman in this county was headed by Frank A. Miller, local representative of the old railroad machine. A few voters however were not wise to the auspices under which the Chapman campaign was being launched and they signed his petition on the theory that he is in harmony with the Progressive movement in this state.

"Nothing can be said against Mr. Chapman as a man or a representative of the fruit interests; but in this campaign he stands for Taft, for the Reactionary forces in the state, for the old machine and for other things that the voters of this county have repudiated by overwhelming majorities. In view of this situation, they cannot consistently stand for Chapman now. The candidate who represents the policies the voters of this county have declared for is John N. Anderson."

THE REDLANDS "FACTS" IS FOR ROOSEVELT

The Redlands Facts, Lyman M. King's paper, and Mr. King is chairman of the San Bernardino County Republican Central Committee—has "come out" for Roosevelt. The Facts has been what may be called an ultra-conservative Progressive paper. It says, in part:

"After mature deliberation, after giving careful reading to the declarations of principles of the Republican and Democratic parties, and to the Progressive 'confession of faith,' the Facts believes it to be the duty of the patriotic citizens of California, in the present badly mixed political situation, to support the candidacy of Theodore Roosevelt for the presidency and of Hiram W. Johnson for the vice presidency. Whether a voter should sever his connection with his old political party, throw aside the old and take on the new, is a matter for the individual. The Facts will support the nominees of the Progressive party during the present campaign but declares that it does not at this time pay allegiance to the new party. We prefer to remain with the Republican party, while supporting the nominees of the Chicago convention of August 5.

"There will doubtless be those who will say that this is an inconsistent course. Not so. At least, not inconsistent with former declarations of this paper. After the nomination of the Roosevelt party at Chicago, when Mr. Taft was named, and the selection of Mr. Wilson at Baltimore, with the Progressive convention then in sight, the Facts said that any Republican could this year feel free to support whom he pleased, and yet maintain his party regularity, if he so desired.

"Mr. Taft was named through methods which the Facts cannot indorse. Just as we opposed and condemned the methods of the old Santa Cruz convention, so we opposed and condemned those at Chicago, when Taft was named. No man can be asked to support and indorse what he considers fraud and dishonesty. And if the mau-

who so condemns chooses to call himself a Republican still, who is there to say he shall not do so? The Facts has never for a minute considered favorably the thought of supporting Mr. Taft. The only question to be decided was whether the Progressive party would promise more real advancement for human progress and the rights of men than did the nomination of Woodrow Wilson by the Democracy. We believe that in the present political confusion, in the crisis of political affairs that has been brought about through the machinations of unscrupulous bosses, the normal conditions which should prevail will be more quickly brought about through the election of Theodore Roosevelt than in any other way; that justice will be done, the unscrupulous curbed, the dishonest brought to book and the citizens of this country be better assured of the 'square deal' to which every man is entitled, through the triumph of Roosevelt and Johnson than through the election at this time of either Taft and Sherman or Wilson and Marshall."

Closes Its Sessions

Orange News: The city board of equalization closed its sessions last evening by approving the assessment roll as submitted by the assessor with two changes. E. W. Camfield asked a reduction on his nursery stock from \$750 to \$500. The assessment of G. L. Niles on 10 acres on East Chapman was raised from \$1400 to \$2400. The Pathe Motion Picture Company, which has been located at the S. & M. cattle ranch for several months, departed today for the Mexican border where some war pictures are to be made. Manager Young Deer, the Indian producer, has been continually at the camp, Lewis Stone and other theatrical lights have been frequent visitors.

SOME STRENUOUS, THIS EVANS
CAMPAIGN THE "PROGRESSIVE"
CONGRESSIONAL NOMINATION

S. C. Evans, the Progressive candidate for Congress, begins a whirlwind personal campaign in this county tomorrow, in company with John N. Anderson, the Progressive candidate for state senator.

That Mr. Evans is a worthy disciple of Roosevelt is evidenced by the strenuousness of his campaign, as told by a representative of the Riverside Press who is accompanying him over the district. We quote from Saturday's Press:

"Men do not run for office any more nowadays. They auto for office. S. C. Evans got in yesterday from a week's tour of Inyo and Mono counties. Every foot of the way was made by machine, except at those sections where the passengers found it necessary to get out and push. The roads in that country are rough and hilly, the towns small and far apart. Much traveling made sleep uncertain and rest a negligible quantity. During Monday night Mr. Evans made a 90 mile trip across the desert from Barstow. Whatever sleep he had that night was obtained while jolting on the back seat. After two

J. M. ESHELMAN SENDS ANDERSON
STRONG LETTER OF ENDORSEMENT

Railroad Commission of the State of California, San Francisco, Cal., Aug. 14, 1912. Honorable John N. Anderson, Santa Ana, California.

Dear Mr. Anderson:—I have intended to write you a letter for use in your campaign in Imperial county for sometime, but have been absent on my vacation and so have not gotten to it.

I believe that you are entitled to every Progressive vote in your district. From my intimate knowledge of your work in the California legislature, when you and I were both members of that body and when Progressive policies were not as popular as they are now, I know that you stand for the same things for which I have always stood and for which the progressive administration of this state stands. While I know your opponent by reputation as a man of integrity and financial standing, still, he is and always has been aligned with the big interests of the state and against the Progressive cause. He stands for the Chicago steal and for the present president of the United States, both of which in my opinion, unfit him for Progressive support. I cannot too strongly urge upon the Progressives in your district that your previous record merits their unqualified support.

Roosevelt Discusses the
Progress of the Campaign

OYSTER BAY, Aug. 19.—"I could not have made as strong a speech for the Progressive party as Dr. Wilson made yesterday," said Colonel Roosevelt last night with a chuckle. "When he says that he thinks men believe they have been led into blind alleys often enough he is giving a little of the Progressive platform."

"It is curious that the Progressives are not saying that they are almost like the Democrats, but the Democrats are saying that they are almost like the Progressives. We have the lead and will keep it."

It was a happy colonel standing upon the porch of Sagamore Hill amid a thunderstorm and telling how fine everything is going. For one thing the colonel has a strong hunch that Dr. Wilson is going to show some of the Taft facility for making

DEED TO PASS WHEN
SUBSCRIPTIONS ARE IN

The deed for the polytechnic high school site will probably be in the possession of the Santa Ana Board of Education some day this week. The school district's warrant for \$18,800 has been placed in escrow at the Abstract & Title Guaranty Company of office, and the passing of the deed awaits the placing of \$6200 promised by property owners who worked to get the polytechnic high school located in the south end of the city. A large share of the \$6200 has been paid in.

CONTRACT IS SIGNED
FOR BIG ROAD JOB

Oscar Ford of Riverside was here Saturday and signed the contract between him and the county for the construction of the Sevlars Canyon road. Ford got the contract about a week ago on a bid of about \$9400. He expects to begin work on the job next Monday.

AMERICAN RACER
CHALLENGES BOILLOT

MILWAUKEE, Wis., Aug. 19.—David Bruce-Brown, twice winner of the American Grand Prize Race, has challenged Boillot, the great French driver who won the French Grand Prize at Dieppe on June 26th and 28th last, to meet him in this year's American Grand Prize Race at Milwaukee, on September 17. Bruce-Brown won the first day's round of the French race and was leading on the second day when he ran short of gasoline and was disqualified for taking on a fresh supply at a spot not designated as an official supply station.

INDIAN KILLED ON TRACK

Near Rochelle, Ill., an Indian went to sleep on a railroad track and was killed by the fast express. He paid for his carelessness with his life. Often it is that way when people neglect coughs and colds. Don't risk your life when prompt use of Dr. King's New Discovery will cure them and so prevent a dangerous throat or lung trouble. "It completely cured me in a short time, of a terrible cough that followed a severe attack of Gripp," writes J. R. Watts, Floydada, Tex., "and I regained 15 pounds in weight that I had lost." Quick, safe, reliable, and guaranteed. 50c and \$1.00. Trial bottle free at all druggists.

CHAPMAN-RUTAN CLUB
ANNOUNCES LISTS

The Chapman-Rutan Club, of which A. H. Stutsman of Tustin is president and J. C. Burke of Santa Ana, secretary-treasurer, has announced the following vice-presidents and committees:

Vice-Presidents—Richard Melrose, Samuel Atmor, J. M. Talcott, C. D. Heartwell, J. S. Perry, R. D. Richards, George W. Bird, A. H. Brown, J. S. Howard, E. K. Benchley, C. H. Eggabroad, Frank Shanley, D. T. Saine, Clyde Bishop, N. T. Edwards, John Landell, G. W. Thompson, Jay W. Powers, Mrs. G. W. Sherwood, Mrs. A. S. Bradford, Mrs. W. L. Benchley, Mrs. A. Pierotti, Mrs. Sarah Fay, Mrs. Elizabeth Lawton, Mrs. Helene M. Deimling, Mrs. Daisy Richards, Mrs. U. Sid Lemon, Mrs. F. C. Spencer.

Finance Committee—Jas. McFadden, K. E. Watson, A. S. Bradford, W. C. O'Connor, Geo. W. Prather.

The club is organized for the purpose of boosting the campaign of C. C. Chapman of Placentia for the Republican nomination for state senator and of A. W. Rutan of Santa Ana for assemblyman.

Masonic Notice
—Called meeting of Santa Ana Lodge No. 241 F. & A. M. Tuesday, Aug. 20, for work in the second degree. By order of
R. W. MEAD, W. M.
G. A. WHIDDEN, Sec'y.

NOTICE TO ARCHITECTS

Notice is hereby given that the Board of Education of the City of Santa Ana, California, will hold a competition for, and consider the adoption of plans and specifications for the erection of a group of Polytechnic High School buildings to be erected on the school property located in the City of Santa Ana.

The said competition will be conducted in accordance with the "Programme of Competition" as approved and adopted by the American Institute of Architects, copy of which may be had by applying to the secretary of the Board of Education, Mrs. Lydia C. Smart, 714 North Main street, Santa Ana, Calif.

The said programme specifies and sets forth in detail the conditions of the competition and the general requirements of the buildings to be erected. All competitive plans and specifications shall be delivered to the Secretary of the Board on or before Sept. 10th, 1912, at 7:30 o'clock p. m. Examination of the plans and specifications submitted will be made by the board at its meeting to be held the same date at 7:30 p. m.

The architect whose plans and specifications are adopted by the Board shall receive as compensation six (6) per cent of the cost of the completed buildings, for full architectural services which shall include all necessary plans, specifications and details, and the supervision of the construction of the buildings. The cost of said buildings is limited to \$160,000.00 exclusive of architect's fees, which is the amount of appropriation available for the work, and shall include everything necessary to complete the buildings ready for occupancy, except movable and detached furniture, such as seats and desks.

The architect whose plans and specifications are adopted by the Board shall be required to furnish a surety bond in the sum of \$5000 conditioned as provided by law.

By order of the Board of Education of the City of Santa Ana, Cal.
MRS. LYDIA C. SMART, Sec'y.

REVIVAL MEETINGS

Los Angeles Fishermen Club Enthusiases Hearers Here and in Orange

The Fishermen Club of Los Angeles, which is an interdenominational society of young men who follow ordinary business vocations during the day, and by avocation, are evangelists and hold revival meetings at the different churches on Sundays and sometimes on the evening of week-days, spent yesterday in Santa Ana and Orange, and plan to hold meetings at the latter place every evening this week. Each of these young men follows a different business, which is proof that the Christian life may be lived while in the pursuit of any business in which one may be engaged.

The Fishermen and Rev. T. C. Horton of Los Angeles conducted the services at the First Baptist church of this city yesterday morning in response to an invitation from the Christian Endeavor Society, which has the church services in charge for a month, during the absence of the pastor, Rev. Otto S. Russell. Rev. Horton preached on "The Abundant Life" yesterday morning and Jesse Martin sang a solo and led the song service. Chester White, who is also a fisherman, presided at the piano.

In the afternoon the Fishermen went to Orange. At this meeting Jesse Martin gave his testimony in a solo, "My Sins Are All Forgiven," both the words and music being his own composition. They also gave an evening meeting at Orange at which Mr. Barrett spoke on "A Life's Drama in Three Acts." The text was taken from the story of the rich man and Lazarus on this earth; the first act was the life of the rich man and Lazarus on this earth; the second was the life beyond the grave; and the third, the Day of Judgment. The solo for the evening, "Have You Done Your Best?" was feelingly sung by Jesse Martin, and made everyone who heard it think a little more earnestly of serving Christ than he did before.

The meetings at Orange will close a week from tomorrow and the people of this city are urged to attend as many of them as possible. There will be a special Santa Ana day some time during the week.

Had Auto Trip
Orange News: Mrs. W. G. McPherson returned Thursday from an extended automobile trip through various points of interest in Southern California where she was accompanied by Mr. and Mrs. Charles McMillan and Mrs. Susie McPherson of Alhambra. They went to San Diego along the coast, passing through La Jolla.

Orange County Conservatory of Music
Before arranging for music lessons for your child this fall we want you to investigate what we have called "The Five Dollar Plan." You will certainly not regret doing so. A pamphlet fully explaining this plan will soon be out. Send us your address, or phone it, and we will send you one.

504½ N. Main St. Main 214.

MODERN TENDENCIES OF DRESSING FOUGHT BY EASTERN WOMEN

Cincinnati White Ribboners are conducting a campaign against modern tendencies of dress among the girls of that city. The most important feature of the campaign will be the talks given in department stores of the city under the auspices of a special committee.

The managers of many of the department stores have agreed to co-operate with the White Ribboners in their laudable efforts. The method of the workers of the association will be to get the girls of each store together and any patrons who wish to hear may also join the group and listen to arguments by well known speakers, who will caution them against mistaken ways of dressing and conducting themselves.

Another feature of the campaign will be to have a speaker talk to the girls on the dangers of city life, and what they should do when men press their attentions.

The return was made over the inland route through Escondido, Fallbrook and Temecula to Riverside. Then they went to San Bernardino and Redlands and from there through the Beaumont hills to San Jacinto. Here they were much delighted with the country, being surprised at the advance of the peach and apricot orchards. San Jacinto also has some fine orange groves along the foothills. From that point the party went to Alhambra and from there Mrs. McPherson came home.

Past Matrons Will Meet
The Past Matrons' Association, O. E. S., will meet with Mrs. H. S. Gordon, 408 Cypress avenue, tomorrow, Tuesday, afternoon at 2:30 o'clock.

Hoosiers Will Meet at Balboa
The Hoosier picnic, which is to be held at Balboa August 30, is to be a personally conducted affair with several "side dishes" as a surprise, and it comes to us as a profound secret that the head of the new third party is to be present and "say a few words." Although he is not a Hoosier born, he has passed through the state, and when asked what the historically famous "5 P's," that all Hoosiers are so proud of, signify, he said if he had found any one of the five over in South Africa, he would not have fired a bullet at it or used it in target practice.

Hoosiers, do not forget the date, or your lunch box, or your smile—bring it for sure.

Missionary Society to Meet
The Woman's foreign Missionary Society of the First Methodist church will hold its quarterly tea at the home of Miss Margaret Allen, McClay street, near Chestnut avenue, Wednesday, Aug. 21. All ladies of the church and congregation are requested to attend. Conveyances will leave the church at 2 p.m. sharp. The Young Ladies' Missionary Society is cordially invited to join with the older ladies. Splendid opportunity to get better acquainted and a good time guaranteed. Ladies, young and old, are requested to come.

Night school opening this week.
(Orange County Business College.)

SANTA ANA DAY

Southern California Veteran Association to be Given Dinner and Entertainment

Tomorrow will be Santa Ana Day and also Bean Day at the G. A. R. encampment at Huntington Beach, and many people from here are planning to go down for the day.

The W. R. C. Sedgwick Post, Daughters of Veterans and the Ladies of the G. A. R. have combined to give a bean dinner, which will undoubtedly be a very delicious one. It will be served in the pavilion at Huntington Beach tomorrow from twelve until two o'clock and will be free to all visitors, although the veterans will be given precedence.

In the evening the Woman's Relief Corps will give a sparkling, one-act comedy, entitled "The Spinster Club," which promises to produce much merriment, as the cast contains twenty well-known "spinsters" and one lone man.

Will Meet Tonight
The Young Women's Foreign Missionary Society of the First Methodist church will hold a regular business meeting at the parsonage this evening. All young women are cordially invited to attend. Light refreshments will be served.

News of Former Santa Anans
Mrs. Alice Livingston is visiting her sister, Mrs. W. H. McMurphy, and family, at their home on North Broadway for a few days. Mrs. Livingston came south to be present at the marriage of her son, George Livingston, to Miss Marjorie Johnson, the ceremony taking place at National City last week. Mr. Livingston will teach mathematics in the San Diego high school for the coming year. Miss Ella Livingston has returned to the University of California to enter upon the second year of her collegiate course.

Delightful Motor Trip
Mr. and Mrs. H. T. Duckett have returned from a delightful week's outing spent in their automobile. They took the coast road to Ventura, going by way of Oxnard and Lompoc, and returned by way of Santa Paula and San Fernando, afterwards visiting all the beaches up and down the coast.

Personals

Mr. and Mrs. Grover Besser are in San Francisco visiting Mrs. Besser's people and their many friends. They went north on the Yale and will be away about two weeks.

Mrs. George Pickering has returned home after a pleasant vacation spent in the north with relatives and friends. Mrs. Pickering has taken up her real estate work again.

J. A. Beatty and family went to Laguna Beach today, where they will spend the days of their vacation.

Miss Pauline Parsons is spending the first week of her two weeks' vacation with Miss Victoria Crissman at Redondo Beach.

Mrs. Ida Woodward, formerly of this city, was here today on business. She is having a two weeks' vacation. J. O. Burbank returned from Catalina today to remain until tomorrow, when he will go back to Long Beach.

Mrs. W. J. Harlin of Old Newport, was in the city today. She is convalescent from a serious illness.

Miss Mary Richardson of Los Angeles is a guest of the Hickox family on North French street.

E. B. Smith and family spent Sunday in Long Beach with friends. They made the trip in their auto.

Mr. and Mrs. Dan Moss of Los Angeles spent Sunday here with Mr. and Mrs. John Gutzwiler.

Mr. and Mrs. George W. Young and family, Mrs. Louise Waite, Miss Irene Robinson, Mr. and Mrs. Horace Fine and Family spent yesterday at the W. K. Robinson ranch in Trabuco Canyon.

D. W. Stearns of the Wm. F. Lutz Company, and family, are spending a week at Newport Beach.

H. W. Lawrence writes from Meadville, Pa., asking to have his Register address changed from Conneautville, Pa., to Meadville, "where," he says, "we are spending the summer in a beautiful green country with lots of Roosevelt friends."

Bert McMurray, formerly a Santa Ana clothing merchant, now a merchant at Lancaster, is in Santa Ana for a visit of two days.

Deputy County Treasurer Marjorie N. Joplin and her sister, Miss Lucy Northcross, of West Orange, returned Saturday from a month's visit with relatives in Trenton, Tenn., and Corvuth, Miss.

Mr. and Mrs. Z. H. Laederich of Kansas City, Mo., touring Southern California from Hotel Virginia, of Long Beach, spent Sunday with Mr. Laederich's sister, Mrs. M. Nison, on North Main street.

Mr. and Mrs. W. A. Crane leave Thursday morning for an extended trip that will be spent visiting with relatives and friends. Mr. and Mrs. Crane will go first to Fowler, Colorado.

H. H. REEVES AND FAMILY,
SHELLY HORTON AND FAMILY,
CARRIE B. SEATON.

Accomplish All in Governing Self
Dorothy Donnelly, who is being featured in Henry B. Harris' production of "The Right To Be Happy," is one of those rare women who "wake up pleasant" and start the day with a smile.

I was looking at a crayon sketch by James Montgomery Flagg, when she spoke over my shoulder. "Do you like it?" she asked. "It is profile. I don't know your profile as well as your full face," I replied. "It is different," she said; "my profile is tragedy. My full face comedy."

"Let's talk about the right to be happy—your right and mine, and the right of the rest of the world," I suggested.

"It's a right every living thing has," she answered. "But, sadly enough, not every living thing finds the opportunity. Still the right is there, as strong as the right to live. But we have to make our own happiness to a very great degree."

BORN

TOMBLIN—In Orange, Cal., Saturday, August 17, 1912, to Mr. and Mrs. A. L. Tomblin, Jr., a son.

THE NEW ORGANIST AND CHOIRMASTER OF THE NEW UNITED PRESBYTERIAN CHURCH

C. Percival Garratt's Position Extended and Enlarged and Made Permanent

Mr. C. Percival Garratt, who has had a musical study in Santa Ana about five or six months, and for the past three months has been temporary organist at the United Presbyterian church, has now been engaged by that church permanently as both organist and choir-master.

C. Percival Garratt, an Englishman by birth, received his first instruction in music from his mother when he was five years old. His father being an organist of considerable ability, played in Lichfield Cathedral, England.

The family moved over to this country and young Garratt continued to study the piano and organ with his father at the same time that he was receiving his college education. When 14 years of age he held the position as organist of St. John the Evangelist Episcopal church, in St. Paul, Minn. The following year he was sent to Boston, Mass., and studied the organ with George E. Whiting, piano with Otto Bendix and harmony with George W. Chadwick at the New England Conservatory. While in Boston, he held the position of organist at St. James' Episcopal church, Cambridge, Mass. A few years later, realizing the necessity of a knowledge of voice culture for church work, Mr. Garratt studied voice with Signor Rotoli.

When he was 21 he moved to Winston-Salem, North Carolina, and held the position of organist and choir-master of the First Presbyterian church. The next year he was called to the Second Presbyterian church, Knoxville, Tenn., where he became instructor of music at the University of Tennessee. After ten years of useful experience in both church and university work, Mr. Garratt was called to take the position of organist and choir-master at a good church position, etc.

LOCAL MINISTERS GOING TO JOIN IN WORLD-WIDE PRAYER

A world wide prayer is to be uttered from millions of lips on September 8, which is the day of the Free schools of the world. The National Reform Association has organized a simultaneous prayer in which 2500 American clergymen will lead, including the Rev. W. L. C. Samson, Rev. Eugene Severance, Rev. Geo. N. Greer and the Rev. Joseph H. Stevenson all of Santa Ana.

In the Mission schools and churches throughout the world similar prayers will be offered and in the Sunday schools the children will participate in many cases. No such simultaneous service has ever been attempted and the event marks an epoch in the organization of the great Second World Christian Citizenship Conference to be held at Portland, Oregon, June 29 to July 6, 1913.

This universal prayer is a definite part of the tremendous movement which will culminate in the Second World Christian Citizenship Conference, once to be held in Portland, Oregon, June 29-July 6, 1913, which has been in process of organization for nearly two years past.

Education generally and the public schools in particular loom up large in this work and many of the most prominent educators in the world will discuss the whole vast subject of education from the Portland platform.

September 8 has been selected as the date for this universal prayer because it precedes the opening of the public schools in the United States by only a few days, the Sunday Schools are resuming in large attendance and the teachers of both are keyed up for their year's work and stand atune with the world and this simultaneous prayer is to bid all of them Godspeed in their work.

When discussing this vast and interesting undertaking Rev. Dr. James S. Martin, of Pittsburgh, Pa., the man who has organized the world for this prayer, said:

"How can the school year be better introduced than by praying for the children and the youth of all nations who are seeking education?"

The magnitude of the moral and spiritual interests involved in this vast work of education or affected by it, commends this suggestion to all Christian citizens. For more than seventy years the Day of Prayer for Colleges has been observed by the Christian people in these institutions and incalculable results for good have been vouchsafed in answer to these prayers. But while the student world in the United States numbers not far from 200,000 persons, there are nearly seventeen millions in the common schools of the nation. For every student in our universities, colleges and professional schools there are eighty in our public schools. When we add the private schools, which, with certain classes, take the place of the public schools, we have before us an agency which gathers under its influence, with insignificant exceptions, the children of the whole people, which is steadily making its work more thorough and complete, and which is confessedly one of the strongest molding forces at work upon the character of the nation.

What ought to be the bearing and effect of this great agency on the morals and religion of the people? This nation is, in important respects, a Christian nation. The education provided for her future citizens ought to correspond to the national character in this respect, and should aim to transmit that character to the coming generations. The supreme need of the nation is not for intelligent or mental culture in her citizens, important as these are, but that they shall be men and women of good moral character, able to distinguish the right and wrong, and resolved to do what is right and to avoid and resist what is wrong.

The chief end, therefore, of the schools to be held supreme above all more intellectual culture, is to develop the moral nature of the pupils. If these positions are correct, it follows that any proposal to divorce education from the general, fundamental, unsectarian truths of religion, to make our education merely secular, and to absolve the teacher and the school from all responsibility except for the intellectual development of pupils is subversive of the true American idea of education, and fatal to the chief interest for which our schools were established. And yet this bald secular theory of education is accepted in wide educational circles. Many cities and many whole states are moulding their school systems in accordance with it.

This very disagreement as to the true nature and objects of education constitutes a grave peril to the schools. Those who believe in God and in the efficacy of prayer, will agree with us that interests so momentous and so urgent as these ought, by a Christian people, to be spread before the Hearer of Prayer."

The mystery of Love
(By Montaigne.)

If a man should importune me to give a reason why I loved him, I find it could not otherwise be expressed than by making answer, because it was he; because it was I. There is beyond all that I am able to say. I know what inexplicable and fated power that brought on this union.

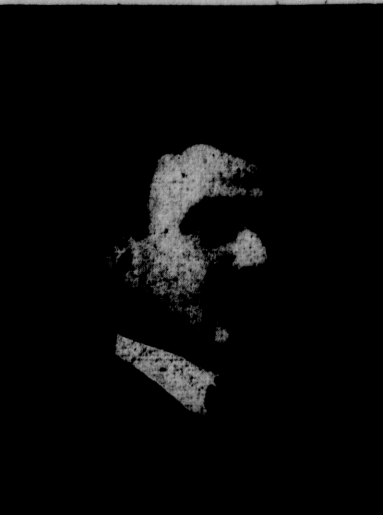

Takes Divine Gift

MR. C. PERCIVAL GARRATT

The Central Presbyterian church in Hamilton, Ontario, Canada, which position he held for ten years. Suffering from a bad attack of la grippe, Mr. Garratt was advised by his physician to give up his professional duties for a few months and suggested a change of climate. Being attracted by the glowing accounts of the glorious climate of Southern California, he decided to come and see. Mr. Garratt is quite satisfied that this is God's country and has decided to remain and devote his time to assisting in further advancing the various branches in music which he has made a diligent study of.

During the last eighteen years Mr. Garratt has given over 300 recitals and concerts, including the production of oratorios, cantatas, etc., and also numerous organ, piano and vocal recitals. He was one of the organists chosen to give recitals at the Pan-American Exposition, Buffalo, N. Y.

Mr. Garratt's success as a teacher of the pipe organ, piano and the natural cultivation of the voice, is demonstrated by the fact that so many of his former pupils are now holding good church positions, etc.

JACOB STERN TOOK WORTHLESS CHECK

Orange County Sheriff's Office is Asked to Help Locate L. R. Eggleston

The sheriff's office has received a letter from Stern & Goodman of Fullerton stating that L. R. Eggleston, formerly an employee of a Fullerton packing house had passed a bad check on Jacob Stern in Los Angeles on August 1. The check was on the Merchants' National Bank of San Diego, made out by Eggleston to himself, signed by Eggleston and endorsed by Eggleston. The amount was \$7.50. The last heard of Eggleston was when he was employed by the Independent Warehouse Company of Los Angeles. The sheriff's office is asked to aid in locating Eggleston.

Funeral of James A. Seaton
James A. Seaton, who died at the home of his daughter, Mrs. H. H. Reeves, of this city, on Thursday, August 15, was born in Kentucky, February 28, 1840. He was a retired Christian minister, having spent about 35 years in the ministry serving churches in Illinois, Missouri, Iowa, South Dakota and Montana. Three years ago he came to Santa Ana where he has since resided, identifying himself with the church here.

He was married to Mary E. Bradley February 20, 1862, and to this union nine children were born, only two of whom survive. Mrs. Reeves and Miss Carrie Seaton, both of this city.

Mr. Seaton was taken ill some three months ago with cancer of the stomach and steadily grew worse until death relieved him from his suffering. The funeral held Saturday afternoon from Mills & Winbiger's chapel, was largely attended and the many flowers spoke of the love he has won in the hearts of the people here.

It would be difficult to find another who in the short stay he has made with us is more highly esteemed by every one. The boys and girls and little children enjoyed and loved him quite as much as those of his own age. Among those who sorrow deeply should be mentioned his Bible class. While he had been their teacher only a short time the class grew rapidly in members and spirit and devotion to their teacher. Rev. Paul E. Wright, pastor of the First Christian Church, assisted by pastors of different churches, conducted the services, the Masonic order of which the deceased was a member taking charge at the grave. A quartet, assisted by Prof. F. J. Haynes who rendered a beautiful solo, furnished appropriate music. Interment was made in Fairhaven cemetery where he lies beside his wife who died two years ago.

What Caused the Tears
"Why are you crying, darling?"
"Because my sister has been presented by her husband with a set of diamonds that cost \$1500."
"Why should that make you weep?"
"Because you will now have to spend such a lot of money when you can so ill afford it."

Fall term begins Sept. 2nd at Orange County Business College.

THE WORLD'S SIN;
THE CHURCH'S SIN

One Redeemer, Christ Jesus,
For Both Church and World.

Berlin, August 18.—Pastor Russell delivered two addresses here today. We report the one from the text, "He is the propitiation for our sins (the Church's), and not for ours only, but also for the sins of the whole world." (1 John ii, 2). He declared that the Devil of the Bible transforms himself into an angel of light in his endeavors to mislead the people of God and to make void the Word of God. The Bible nowhere represents the Devil with horns and hoofs and forked tail caving amidst flames of hell, torturing hapless beings and seeking fear.

LEGAL NOTICES

NOTICE OF TRUSTEE'S SALE
Whereas, Robert L. Coutts, Jr., and Albee B. Coutts, his wife, by a deed of Trust dated March 4, 1912, recorded March 27, 1912, in Book 216, page 4 of Deeds, records in the office of the County Recorder of the County of Orange, State of California, did grant and convey the premises therein and as hereinafter described, to the Citizens Trust and Savings Bank, a corporation, as trustee, to secure the payment of one promissory note, dated March 4, 1912, made by said Robert L. Coutts, Jr. and Albee B. Coutts, his wife, for the sum of \$5500.00 payable one day after date, to the order of M. M. Scully with interest from date at the rate of 8 per cent per annum, payable quarterly, which said note and Deed of Trust provided, if default should be made in the payment of any of said amounts or installments of principal or interest when due as provided in said promissory note, or of any of the interest thereon, then said Citizens Trust and Savings Bank, its successors or assigns, on demand by said M. M. Scully, her heirs or assigns, should sell the premises therein described or such part or parts thereof as in its discretion it should deem necessary to sell in order to accomplish the object of the trusts provided for in said deed, and such demand for sale should be deemed conclusive notice of the exercise of the power of sale contained in said deed, and the whole amount of principal and interest payable in accordance with the terms of said note and deed, and

IN THE JUSTICE COURT

CHARGED WITH DISTURBANCE

City Marshal Swears to Complaints Against Angle and Musselman

This afternoon City Marshal Jernigan swore to complaints before Justice Cox charging Roy Angle and Frank Musselman with disturbing the peace. The disturbance as described to the justice consisted of epithets applied to Motorcycle Officer Lambert. Lambert was out yesterday and last night looking for speeders. He says that he caught the machine driven by Angle for Musselman coming into town on North Main street at a rate of thirty-six miles an hour. Lambert says he tried to stop the machine, but it would not stop and he followed it to the corner of Fourth and Main streets, where the occupants got out, and roundly expressed their dislike of the motorcycle cop. Angle is alleged to have told him he would run over him the first time he got a chance.

Lambert is said to have followed the automobile on to the Palace Restaurant, where it is stationed when not busy, and it is there that Musselman's remarks are alleged to have been such as to constitute under the law a disturbance of the peace.

Hearing Continued

This morning Justice Cox continued the preliminary examination of Geo. W. Beswick, charged with non-support of his wife, to September 11.

Pays Fine of \$5

Reginaldo Cadarubia, a gray-haired Mexican, was fined \$5 this morning for creating a disturbance on Lincoln street. He drew a knife and chased Cy Attencio, who came into prominence recently when he was chased by a West Fourth street merchant named Miller who thought Attencio had stolen a shirt from the store.

Sent From the City

City Marshal Jernigan and Constable Jackson put an end to a disreputable house last night when they arrested a Japanese named George K. Sano and a Mexican woman named Francisca Quintero. The woman was given a thirty-day suspended sentence and promised to leave town. The Jap paid a fine of \$25.

DIES FROM BEE STINGS

VANCOUVER, Aug. 19.—After lying unconscious for ten days, as a result of bee stings, Frederick Gunter died today.

Successful Man's Policy

I have tried to make all my acts and commercial moves the result of definite consideration and sound judgment. There were never any great ventures or risks. I practiced honest, slow-growing business methods, and tried to back them with energy and good system.—Marshall Field.

Where All Are Not Equal

Opportunities are equal, but the ability to grasp them, the mentality to appreciate them, the strength to develop them, vary with the individual.—Herbert Kaufman.

AT THE COURTHOUSE

SEVEN JURORS ARE SWORN IN

R.C. Macdonald, Former School Principal, is on Trial in Superior Court

At 2 o'clock this afternoon seven jurors had been sworn to try R. C. Macdonald, former principal of the McKinley school of Santa Ana, on a charge of felony. The examination for the selection of five others is now under way.

Macdonald is in the courtroom accompanied by his wife, Miss Helen Hamblen, the school girl who is the principal witness against the prisoner, and her mother, Mrs. Dora Hamblen, a widow, occupy seats in the district attorney's office, awaiting the time when they will be called to testify against the man alleged to have wronged the girl on May 12 last, when she was but 14 years of age.

Macdonald is represented by Attorney E. M. Epstein of San Francisco, employed by Macdonald's relatives, who live in that city, and by Attorney Clyde Bishop of Santa Ana. Epstein is taking the lead in the examination of jurors. The case is being heard by Judge Cole of Imperial county.

District Attorney West spent hardly a minute in his examination of the first twelve men put in the box. He asked them collectively a few questions, and then accepted them all. The defense, however, challenged five, excusing Fred Rohrs, F. M. West, G. H. Young, Christian Hoefler and A. Schildmeyer. The seven sworn in are G. W. Gwynn, Samuel Dungan, John Le Bard, D. A. Bear, V. Schumacher, J. J. Feagan and W. J. Althayer.

Final Decree Granted

A final decree of divorce was granted this morning in favor of Lydia C. Wolback and against Edgar D. Wolback, formerly an employee of a local ice cream parlor and now of Los Angeles. Clyde Bishop represented Mrs. Wolback.

Set For Trial

In the superior court this morning the trial of Walter Wakeham, charged with a felony, was set for October 21.

Marriage License

Charles F. Nichols, 60, of Pomona, and Eleanor E. Hughes, 42, of Orange.

CAMP WILKIE BOYS ENJOYING CAMP LIFE

The following is an interesting letter from Mr. Hamilton, superintendent of the Y.M.C.A. camp at Catalina:

"Arriving at Avalon on the steamer Cabrillo, the boys found for the Y.M.C.A. camp at White's Landing had an enjoyable trip on the glass-bottom boat 'Empress,' viewing over four miles of submarine gardens. The boys were given a hearty meal upon

THIRTY ANGLERS ENJOYED TOURNAMENT AND BARBECUE

The tournament and barbecue held by the Orange County Rod and Reel Club brought about thirty enthusiastic anglers together on the beach at Serra yesterday. It was the first event pulled off by the newly organized club, and its success was every thing that could have been asked for. While the fish refused to bite as they ought to bite on an occasion such as yesterday's tournament, the day was pleasantly spent. The barbecue in itself was enough to make the day one to be long remembered.

The fishermen were a little slow in getting the casting tournament started, the reason being that nearly all of the executive officers of the club were occupants of an automobile that broke down four miles from the destination. However, when Victor Walker and Earl Glenn had footed it to the beach from the place of break-down, the casting fun began. Dr. Patton took first honors with a cast of 210 feet to his credit. Tom Hill and Howard Turner were close seconds.

Since the fish were not doing their duty on the Serra beach, the fishermen scattered along the coast picking

favorite spots. Victor Walker took first for the number of fish caught. He pulled in one spitting, five corbina, three China croakers and one bass. One of the croakers weighed four pounds and three ounces, which was set as a record for the club members to work on.

The thirty hungry anglers declared that a better barbecue was never prepared. John and George roaster had the affair in charge, and they proved that they are hosts of the very finest kind. A whole sheep had been put into the barbecue, beside a goodly quantity of beef. It was a Spanish barbecue, and enough Spanish beans and tortillas were consumed by the anglers to last an ordinary Spanish settlement for many a day. The barbecue was served beneath a willow arbor, built for the occasion.

Those who went from Santa Ana were: Carl Mansur, Con West, Clare Johnson, Chas. Clayton, L. L. Vestal, J. I. Halsey, L. L. Worden, Nick and Jack Luxembourg, L. A. Campbell, Tom Hill, T. J. Lewis, Victor Walker, Arthur Ball, Howard Turner, Dr. Patton, "Shorty" Halstrom, Clarence Brown, Ralph Ball, George Spangler and Earl Glenn.

AT THE CITY HALL

ANGLE'S FINE PUT AT \$20

Came With \$10, But City Recorder Willson Doubled the Usual Demand

Roy Angle had to make two trips to the city hall this morning to square himself with the city recorder's court. Last night Motorcycle Officer Lambert caught him speeding on North Main street. Angle refused to stop until Fourth street was reached. At that point occurred an altercation, and City Recorder Willson was awakened.

Thus it was not news to the recorder this morning when a complaint was sworn to charging Angle with speeding. Officer Gilbert served the warrant and accompanied Angle to the city hall. Angle armed himself with a \$10 gold piece, which he understood was the usual fine.

After Angle pleaded guilty, the city recorder fined him \$20. Angle was given a chance to go out and get another \$10.

Cost Him \$10

F. G. Parsons of Orange was arrested yesterday by Lambert for speeding on North Main street, and paid a fine of \$10.

Muffler Open

Albert Hitchen was caught running a motorcycle with the muffler open. He paid a fine of \$5.

Mexican Fined

City Recorder Willson fined P. Gawata \$10 on a charge of being intoxicated.

GREAT MEETINGS HELD BY THE ARMY

Visit of Salvation Army Officers is Signal For Concentrated Efforts

The Salvation Army had a big week-end in this city and Anaheim, on the occasion of the visit of Col. Miles, Major Dart and others. On Saturday the outpost of Anaheim was opened officially. A large open-air meeting was held on Center street, those taking part afterward proceeding to the opera house for a meeting.

The Rev. Zeigler in introducing the Colonel spoke in very high terms of the Salvation Army, and hoped a great deal would be accomplished in that city.

Open air meetings were the order of the day in Santa Ana. Great numbers of people stood around and listened attentively to the Colonel and Major Dart, and in particular to the very sweet and trained singing of Envoys McGlashen.

The climax was reached at the evening meeting in the opera house where everything went in true Salvation Army style. After the Rev. Seacombe had called the great audience to worship, the grand old martial hymn, "Onward Christian Soldiers" was sung, with a spirit, after which a very heart searching prayer was offered by Mrs. Ensign Stevens.

The "Sweet Salvation Singer," Envoy McGlashen, sang twice during the evening. This sister has consecrated her voice to God and the Army. She was converted at the age of 6 and has since been a Salvationist.

Rev. Samson offered up a special prayer on behalf of General Wm. Booth, who is lying at this moment at death's door.

Colonel Miles who was introduced by Capt. Sochon, in doing which he made a few well chosen remarks concerning the work here in this city, more especially in connection with that branch "The Prison Work."

The Colonel proved himself to be an able speaker and gave a splendid talk on the work of the Salvation Army and very fittingly the lives of General and Mrs. Booth. He used as a text Psalm 142:4, "I looked on my right hand, and beheld, but there was no man that would know me; refuge failed me. No man cared for my soul." He used some wonderful incidents which had happened, as illustrations of the great and mighty work which was in progress.

Here's Comfort for the Baby

We Have Just Received a Big New Line of Patent Drop-Sides Baby **CRIBS**

The most comfortable and strongest line of Cribs made.

We are now showing the most complete stock of baby cribs ever brought to Santa Ana. We carry the Hard Mfg. Co.'s line, conceded to be the best on the market. They are made of malleable steel throughout and are guaranteed by the manufacturers for twenty years.

These cribs have the convenient patent drop sides and are finished in white enamel and vernis-martin brass. Each crib has comfortable springs that are guaranteed not to sag.

Cribs That Combine Durability and Comfort at **\$5.50 to \$12.50**

Effective Representation.**

At the close of the address, the Envoy sang again, and the Rev. Paul Wright pronounced the benediction, thus ending one more of the efforts which are being made by Capt. Sochon and his comrades to awake the people of this city to their responsibilities as Christians to their brother man.

Satisfied It Was a Good Hand
"You was a big loser when de game broke up, wasn't you?"
"Yes. Dat's why it broke up."
"Was it a good hand dat won de last pot?"
"It shore was. When it landed it felt like it mus' o' weighed a ton."
